DOCKET NO. 94-559-C - ORDER NO. 94-1303 ✓
DECEMBER 29, 1994

IN RE: Proceeding Addressing Marketing) ORDER
Guidelines for Telecommunications) GRANTING
Companies.) EXTENSION

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion for Extension of Time filed on behalf of LDDS of Carolina, Inc. (LDDS).

LDDS has moved the Commission for an Order extending the time within which it may file testimony and exhibits in this proceeding from January 4, 1995 to January 6, 1995. LDDS states as grounds for the Motion that the extension would permit it to respond in a full and orderly fashion to the issues raised in the Commission Staff's testimony served on December 21, 1994. Further, the additional two days are needed because of time pressures caused by holiday vacations as well as efforts to complete the merger between LDDS and Wiltel. LDDS further states that the extension would not prejudice any party as there would be ample time for all parties to review the testimony and exhibits of LDDS prior to the hearing in this case. Further, LDDS alleges that although it has requested an extension only for itself, LDDS has no objection to the filing date being extended for all intervenors.

The Commission has examined this matter and believes that LDDS has stated good cause for a two day extension of the prefile date

in this case. Further, the Commission believes that the date should be extended for all intervenors in this matter.

IT IS THEREFORE ORDERED THAT:

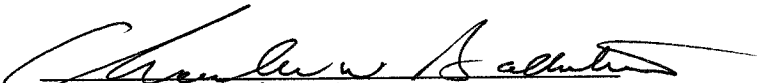

1. The Motion to Extend the Prefile Date from January 4, 1995 to January 6, 1995 is granted for LDDS and for all other intervenors in this matter.

2. This Order shall remain in full force and effect until further Order of the Commission.
